A FORMER PASTOR PREACHES.

A Large Congregation Present at the First Baptist Church—Nine Persons Baptized at Hope Church.
Rev. Prof. T. Harwood Pattison, D. D., of the University of Rochester, N. Y., who for fourteen years was pastor of the First Baptist church in this city, occupied the pulpit in that church yesterday morning. Rev. Dr. S. Dryden Phelps who was for twenty-eight years pastor of the church, was also in the pulpit, as well as the present pastor, Rev. J. H. Mason. There was a very large congregation present to listen to the former pastor of the church. Dr. Pattison introduced with a few appropriate remarks by Mr. Mason. Dr. Pattison then preached a very interesting sermon on "Reverence" from the text, "And He said, draw not nigh hither; put thy shoes from off thy feet, for the place whereon thou standest is holy ground."
In the evening the Rev. Dr. Mason preached at the First Baptist church on the subject, "Love and Service." There was some very fine special music.
Dr. Pattison preached at the Hope Baptist church on Lawrence street last evening. This church is an offshoot of the First Baptist church, and was founded during Dr. Pattison's pastorate in this city. The place of worship was first located at the corner of Pearl and Pleasant streets, but for several years the congregation has been domiciled in the present commodious home on Lawrence street. Nine persons were immersed last evening.

Notorious.
New Britain, May 19.—The police visited the notorious house at Shuttle Meadow early this morning, and arrested the inmates, who gave their names as Lena Wilcox, Mary Morton, Josie Collins, Clara Morris. The women were not able to obtain bonds and they remained in the lockup all the day. They will be tried to-morrow morning.

The police planned to raid the place two weeks ago, but some unknown person "tipped" the proprietress, and the inmates fled before the police arrived.

The sale of seats for the "Durward Lely" concert, which takes place at the Hyperion on Friday evening, under the auspices of Clan McLeod, Order of Scottish clans, will open at the box office this morning. Holders of tickets are requested to have them changed as early as possible.

If the Baby is Cutting Teeth.
Be sure you use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhea. 25 cents a bottle. 17 m w f and w

A False Diagnosis.
La grippe is confounded by many persons with a severe attack of catarrh, which in some respects resembles the former. These individuals suffer severely with pains about the forehead, eyes and ears, with soreness in throat and stoppage of the nasal passages, and in fact, are incapacitated for work of any kind for days at a time. These are catarrhal sufferers. Ely's Cream Balm has been used with the best results in such cases. The remedy will give instant relief. 17 m w f and w

TELEPHONE No. 33.

More Cashmere

Brand newly bought. 1000 yds. of black, 23 3/4 yds. of navy color. A wire woven fabric of pure wool 45 inches wide. We'll charge you just 29c. a yd. for it and 29c. a yd. is less than the small store keepers could buy it for in New York, to sell again. There! That's mightier than a mile of talk about "worth."

Dress Goods, Main Entrance, Left Aisle.

About Crepons

The "billow roll" and "silk stripe" effects, 45 inches wide, eight colors. The pink of fashion for very young ladies' dresses, in New York, but not here—as yet. That's the reason and the only reason that we have to take what we can get for them—29c. a yard.

See if the New York price isn't 60c. a yd. or more. Why! school dresses if nothing else. Think of the price and take hold the piece.

N. B. The sale of these two specialties will begin promptly at 9 o'clock.

Dress Goods, Main Entrance, Left Aisle.

Refrigerators

Health depends largely upon proper circulation of blood. A healthful, economical refrigerator depends upon proper circulation of air.

That's ours. Easy to clean, free from odors, no sagging of the ice rack. In short, a real clean, sweet, pure food keeper and ice saver. Not expensive, though we sell other makes low priced as \$2.97.

Baby Carriages, Canvas Covered Trunks, Iron Bottom, Oak Slat, Excelsior Lock, Oil Soles, Best Made Ice Cream Freezers, Steel Spindles, Hay Forks, Garden Trawls, Weeders, Grass Rakes, Hooks, Shears, Pruning Shears, High Wheel Lawn Mowers, Fine English Dinner Sets, Parquet Lamp and Silk Shade, complete, Sewing Machines, warranted 5 years, 10.50, Fancy Jardines, Fruit Plates, Dresden dec., Goblets, Fancy Tea Cup and Saucers, Garden Hose and Reels, Watering Pots.

The left-overs of Three Cent Sale will be sold at 3c. each until they're gone.

Fairest Flowers

Five hundred Montures sprayed in about as many different ways with most bewitching colors creeping through every spray. Call any color and catch it coming toward the eye. These will adorn and electrify Bargain Table No. 2 Monday at a fraction of their value—25c. a bunch.

Ladies' Wrappers

There'll be a regular Wrapper warming on Monday, at Bargain Table No. 1.

More good management than good luck enables us to offer a lot of Wrappers cut in the most modern style, finely finished, at 95 cents each.

Nothing, heretofore, like them in the market for less than \$1.50 and \$1.75.

Want a Camera?

If you care to pay the Big Store as little for Cameras as you do proportionately for Dry Goods, you'll want to use the following list. Yes, identically the same Cameras which fetch such large prices.

"Night Hawk" made of polished oak, takes 4 x 5 plates, good lens. Price \$3.98.
"Bull's Eye," film camera, takes 3 1/2 x 3 1/2 plates. Price, \$7.75.
The A. Kodak loaded with 24 films ready to shoot. Price \$5.75.

Summer Corsets

May seem funny, but when snow was flying we were buying Summer Netting Corsets. Made an offer for 100 dozen (all the man had) and got them, packed them, now we're ready to sell them. On sale Monday morning to sell until they're sold out at 39 cents each. A positive money-making occasion—for you.

39 cents each. Worth double. Summer ventilated Corsets, long waisted, two side steels, all sizes, 18 to 30.

1200 pairs of Corsets sounds big, but this is the Big Store, it has big sales. We wouldn't dare to promise any 39 cent Corsets after Tuesday night.

Adjustable Awnings made of good stout cloth, fit any window up to 48 inches

wide. Price, \$3.98. Red color costs 25 cents more. We measure the windows and hang the Awnings. See the model.

The Furniture Buyer and his aids were too busy selling to give the writer any points on advertising. After all, selling is the sturdiest sort of an advertisement. Furniture, Second and Third Floors.

Another New Rug Rivaling the Oriental products. This has no wrong side. In other words, two right sides. Vivid luxurious colors.

Last week's flood-tide trade didn't quite clean us out. Good and cheap carpets, matings, rugs and oil cloths left yet.
